In other cases, or where these criteria are not met, further checks may be necessary and deviating decisions are reserved.
2. **Exception has to be requested again for each and any further event. Practical point: In each request please put the Name of the person concerned + „NER“ into the subject line of your mail, this helps a lot if many requests are dealt with. Further, please use the request form as offered on the EKF page / documents. Thank you!**
3. In the EKF database, please complete/correct the data for the Person (nationality, country of birth, birthplace). **JUST FOR THE REGISTRATION TO THE EVENT** set her/his nationality to your federation's and correct back after registration.
